Check the area within the VCE Plan of Work Goals and Objectives that best applies to this project.

- Obj. 1: Protecting the environment by educating about sustainable landscape management**
(e.g. soil, plants, pest management, wildlife habitat, fertilizers, water quality, waste management, erosion control)

- Obj. 2: Using horticulture and landscaping to change attitudes and behavior of youth**
(e.g. fill SOL requirements, leadership and citizenship through horticulture, 4-H, Junior MG)

- Obj. 3: Marketing the value of the landscape**
(e.g. proper design, installation and maintenance of sustainable landscapes for economic benefit to the individual & community)

- Obj. 4: Home food production and human nutrition**
(e.g. knowledge in growing food, organizing community gardens and/or food bank contributions)

- Obj. 5: Using horticulture to improve human health, well-being and quality of life**
(e.g. personal, community and work place health education; horticulture therapy)
